LICENSING & REVIEW

As a below named inventor, I declare that:

1. My residence, post office address and citizenship are as stated below.
2. I believe I am an inventor of the subject matter which is claimed, and for which a patent is sought, on the invention entitled AIRCRAFT COMBINATION ENGINES COMPLEMENTAL CONNECTION AND OPERATION, which was filed on May 9, 2007 as Application No. 11/801,266.
3. I made and conceived this invention while employed by United Technologies Corporation. The invention is related to the work that I was employed to perform and was made within the scope of my employment duties. The invention was made during working hours and with the use of facilities, equipment, materials, funds, information and services of United Technologies Corporation.
4. To the best of my knowledge and belief, the invention was not made (conceived or first actually reduced to practice) in the course of, or in connection with, or under the terms of, nor is there any relationship of the invention to the performance of any work under, any
